

Dean Lockwood

My wife, Robin, and I have been owners in Esperanza Estates since 2005 and this is our sixth full Winter season here. We spend the other six months in Ortonville, Minnesota. I have served on the board for the last three years and have served as the Treasurer each of those years. Robin and I have volunteered time on both the Hospitality and Enhancement Committees for the last five years. I am active in the Green Valley Optimist Club, currently serving as Vice President, where we help raise money to support our local kids programs and scholarships. I love playing Pickleball, spending time at our pool and Robin and I enjoy being part of the Esperanza Estates hiking group. We frequently volunteer at Crossroads Mission in Nogales, Arizona. I served on the board of the Minnesota Multiple Sclerosis Society for 5 years in several positions including Treasurer. I retired in 2017 after a 37 year career in accounting and financial management. I have a Bachelors Degree in accounting, a C.M.A. and a Six Sigma certification in Process Excellence. My goal is to bring a spirit of cooperation, helpfulness and analytical thinking to the Board, and to promote community involvement to help Esperanza Estates stay one of the premier neighborhoods in Green Valley.
