

Kevin Welsh

I have been in Esperanza for 12 years, first as a winter resident for 3 followed by a full time resident for the next 9. During this time I have been very active in the neighborhood with the Arts Club, the construction of the Ramada and the Italian oven at Shade Tree Park, Neighborhood Watch, Court Master for the Tennis/Pickleball Courts, and for the last 3 years, on the HOA Board as the Finance Review Committee Chairman. I'm also active in the local Optimist Club, helping raise money for local kids. My goal is to see Esperanza Estates remain one of the most desirable subdivisions in Green Valley and foster our great sense of community.
